

California Fair Claims Settlement Practices Regulations

California Code of Regulations

Title 10, Chapter 5

Subchapter 7.5

Section 2695.1. Preamble

(a) Section 790.03(h) of the California Insurance Code enumerates sixteen claims settlement practices that, when either knowingly committed on a single occasion, or performed with such frequency as to indicate a general business practice, are considered to be unfair claims settlement practices and are, thus, prohibited by this section of the California Insurance Code. The Insurance Commissioner has promulgated these regulations in order to accomplish the following objectives:

(1) To delineate certain minimum standards for the settlement of claims which, when violated knowingly on a single occasion or performed with such frequency as to indicate a general business practice shall constitute an unfair claims settlement practice within the meaning of Insurance Code Section 790.03(h);

(2) To promote the good faith, prompt, efficient and equitable settlement of claims on a cost effective basis;

(3) To discourage and monitor the presentation to insurers of false or fraudulent claims; and,

(4) To encourage the prompt and thorough investigation of suspected fraudulent claims and ensure the prompt and comprehensive reporting of suspected fraudulent claims as required by Insurance Code Section 1872.4.

(b) These regulations are not meant to provide the exclusive definition of all unfair claims settlement practices. Other methods, act(s), or practices not specifically delineated in this set of regulations may also be unfair claims settlement practices and subject to California Insurance Code Section 790.03(h) and/or California Insurance Code Section 790.06. These regulations are applicable to the handling or settlement of all claims subject to Article 6.5 of Division 1, Part 2, Chapter 1 of the California Insurance Code, commencing with Section 790, except as specifically provided below:

(1) Workers' compensation insurance;

(2) Liability insurance for the professional malpractice of health care providers as defined in California Code of Civil Procedure Section 364(f)(1);

(3) Self insured or self funded plans which are bona fide Employee Retirement Income Security Act ("ERISA") plans which are not also multiple employer welfare arrangements, to the extent that these ERISA plans are not covered by insurance;

(4) Any other self funded or self insured plan, to the extent it is not covered by insurance, which is lawfully conducting business in this state.

(c) In recognition of both the unique relationship which exists under a surety bond between the surety, the obligee or beneficiary, and the principal, and the fact that the processing of surety claims is subject to the Unfair Practices Act, beginning with California Insurance Code Section 790, only sections 2695.1 through 2695.6, inclusive, section 2695.10, and sections 2695.12, 2695.13 and 2695.14, inclusive, shall apply to the handling or settlement of claims brought under surety bonds.

(d) These regulations apply to home protection contracts and home protection companies defined in California Insurance Code Section 12740.

(e) All licensees, as defined in these regulations, shall have thorough knowledge of the regulations contained in this subchapter.

(f) Policy provisions relating to the investigation, processing and settlement of claims shall be consistent with or more favorable to the insured than the provisions of these regulations.

(g) The California Insurance Code provides the commissioner with access to all records of an insurer and the power to examine the affairs of every person engaged in the business of insurance to determine if such person is engaged in any unfair or deceptive act or practice. California Insurance Code Section 790.03(h) requires all persons engaged in the business of insurance to effectuate prompt, fair and equitable settlements of claims and to otherwise process claims in a fair and reasonable manner. The Department considers the use of reliable information to be an essential element of the fair and equitable settlement of claims. The fact that information, data or statistical methods used or relied upon by a licensee to process or establish the value of insurance claims is obtained through a third party source shall not absolve the licensee of its legal responsibility to comply with these regulations or to effectuate prompt, fair and equitable settlements of claims. Failure of a licensee to provide the commissioner with requested information sufficient to examine the licensee's claims handling practices may justify a finding that the licensee was in non-compliance with these regulations or other applicable insurance code provisions. Any and all information received pursuant to the Department's request shall be given confidential treatment, as provided in California Insurance Code section 735.5 and California Government Code Section 11180 et seq. When processing or establishing the value of a claim, a licensee shall not be responsible for the accuracy of information provided by a governmental entity, unless the licensee has discovered or been notified of the inaccuracy and has continued to use the information.

Any licensee that alleges an inability to comply with this section shall establish and submit to the Commissioner a plan for file and record documentation to be used by such licensee while the circumstances alleged to preclude compliance with this subsection continue to exist.

Section 2695.4. Representation of Policy Provisions and Benefits

(a) Every insurer shall disclose to a first party claimant or beneficiary, all benefits, coverage, time limits or other provisions of any insurance policy issued by that insurer that may apply to the claim presented by the claimant. When additional benefits might reasonably be payable under an insured's policy upon receipt of additional proofs of claim, the insurer shall immediately communicate this fact to the insured and cooperate with and assist the insured in determining the extent of the insurer's additional liability.

(b) No insurer shall misrepresent or conceal benefits, coverages, time limits or other provisions of the bond which may apply to the claim presented under a surety bond.

(c) No insurer shall deny a claim on the basis of the claimant's failure to exhibit property, unless there is documentation in the file (1) of reasonable demand by the insurer, and unfounded refusal by the claimant, to exhibit property, or (2) of the breach of any policy provision providing for the exhibition of property.

(d) Except where a time limit is specified in the policy, no insurer shall require a first party claimant under a policy to give notification of a claim or proof of claim within a specified time.

(e) No insurer shall:

(1) request that a claimant sign a release that extends beyond the subject matter which gave rise to the claim payment unless, prior to execution of the release, the legal effect of the release is disclosed and fully explained by the insurer to the claimant in writing. For purposes of this

subsection, an insurer shall not be required to provide the above explanation or disclosure to a claimant who is represented by an attorney at the time the release is presented for signature;

(2) be precluded from including in any release a provision requiring the claimant to waive the provisions of California Civil Code Section 1542, provided that, prior to execution of the release, the legal effect of the release is disclosed and fully explained by the insurer to the claimant in writing. For purposes of this subsection, an insurer shall not be required to provide the above explanation or disclosure to a claimant who is represented by an attorney at the time the release is presented for signature.

(f) No insurer shall issue checks or drafts in partial settlement of a loss or claim that contain or are accompanied by language releasing the insurer, the insured, or the principal on a surety bond from total liability unless the policy or bond limit has been paid, or there has been a compromise settlement agreed to by the claimant and the insurer as to coverage and amount payable under the insurance policy or bond.

(g) No insurer shall require a first party claimant or beneficiary to submit duplicative proofs of claim where coverage may exist under more than one policy issued by that insurer.

Section 2695.5. Duties upon Receipt of Communications

(a) Upon receiving any written or oral inquiry from the Department of Insurance concerning a claim, every licensee shall immediately, but in no event more than twenty-one (21) calendar days of receipt of that inquiry, furnish the Department of Insurance with a complete written response based on the facts as then known by the licensee. A complete written response addresses all issues raised by the Department of Insurance in its inquiry and includes copies of any documentation and claim files requested. This section is not intended to permit delay in responding to inquiries by Department personnel conducting a scheduled examination on the insurer's premises.

(b) Upon receiving any communication from a claimant, regarding a claim, that reasonably suggests that a response is expected, every licensee shall immediately, but in no event more than fifteen (15) calendar days after receipt of that communication, furnish the claimant with a complete response based on the facts as then known by the licensee. This subsection shall not apply to require communication with a claimant subsequent to receipt by the licensee of a notice of legal action by that claimant.

(c) The designation specified in subsection 2695.2(c) shall be in writing, signed and dated by the claimant, and shall indicate that the designated person is authorized to handle the claim. All designations shall be transmitted to the insurer and shall be valid from the date of execution until the claim is settled or the designation is revoked. A designation may be revoked by a writing transmitted to the insurer, signed and dated by the claimant, indicating that the designation is to be revoked and the effective date of the revocation.

(d) Upon receiving notice of claim, every licensee or claims agent shall immediately transmit notice of claim to the insurer.

(e) Upon receiving notice of claim, every insurer shall immediately, but in no event more than fifteen (15) calendar days later, do the following unless the notice of claim received is a notice of legal action:

(1) acknowledge receipt of such notice to the claimant unless payment is made within that period of time. If the acknowledgment is not in writing, a notation of acknowledgment shall be made in the insurer's claim file and dated. Failure of an insurance agent or claims agent to promptly transmit notice of claim to the insurer shall be imputed to the insurer except where the subject policy was issued pursuant to the California Automobile Assigned Risk Program.

(2) provide to the claimant necessary forms, instructions, and reasonable assistance, including but not limited to, specifying the information the claimant must provide for proof of claim;

(3) begin any necessary investigation of the claim.

(f) An insurer may not require that the notice of claim under a policy be provided in writing unless such requirement is specified in the insurance policy or an endorsement thereto.

Section 2695.6 Training and Certification

(a) Every insurer shall adopt and communicate to all its claims agents written standards for the prompt investigation and processing of claims, and shall do so within ninety (90) days after the effective date of these regulations or any revisions thereto.

(b) All licensees shall provide thorough and adequate training regarding these regulations to all their claims agents. Licensees shall certify that their claims agents have been trained regarding these regulations and any revisions thereto. However, licensees need not provide such training or certification to duly licensed attorneys.

A licensee shall demonstrate compliance with this subsection by the following methods:

(1) where the licensee is an individual, the licensee shall annually certify in writing under penalty of perjury that he or she has read and understands these regulations and any and all amendments thereto;

(2) where the licensee is an entity, the annual written certification shall be executed, under penalty of perjury, by a principal of the entity as follows:

(A) that the licensee's claims adjusting manual contains a copy of these regulations and all amendments thereto; and,

(B) that clear written instructions regarding the procedures to be followed to effect proper compliance with this subchapter were provided to all its claims agents;

(3) where the licensee retains insurance adjusters as defined in California Insurance Code Section 14021, the licensee must provide training to the insurance adjusters regarding these regulations and annually certify, in a declaration executed under penalty of perjury, that such training is provided.

Alternately, the insurance adjuster may annually certify in writing, under penalty of perjury, that he or she has read and understands these regulations and all amendments thereto or has successfully completed a training seminar which explains these regulations;

(4) a copy of the certification required by subsections 2695.6(b) (1), (2) or (3) shall be maintained at all times at the principal place of business of the licensee, to be provided to the Commissioner only upon request.

(5) the annual certification required by this subsection shall be completed on or before September 1 of each calendar year.

NOTE: Authority cited: Sections 790.10, 12340 - 12417, inclusive, 12921 and 12926 of the California Insurance Code and Sections 11342.2 and 11152 of the California Government Code. Reference: Section 790.03(h)(3) of the California Insurance Code.

Section 2695.7. Standards for Prompt, Fair and Equitable Settlements

(a) No insurer shall discriminate in its claims settlement practices based upon the claimant's age, race, gender, income, religion, language, sexual orientation, ancestry, national origin, or physical disability, or upon the territory of the property or person insured.

(b) Upon receiving proof of claim, every insurer, except as specified in subsection 2695.7(b)(4) below, shall immediately, but in no event more than forty (40) calendar days later, accept or deny the claim, in whole or in part. The amounts accepted or denied shall be clearly documented in the claim file unless the claim has been denied in its entirety.

(1) Where an insurer denies or rejects a first party claim, in whole or in part, it shall do so in writing and shall provide to the claimant a statement listing all bases for such rejection or denial and the factual and legal bases for each reason given for such rejection or denial which is then within the insurer's knowledge. Where an insurer's denial of a first party claim, in whole or in part, is based on a specific statute, applicable law or policy provision, condition or exclusion, the written denial shall include reference thereto and provide an explanation of the application of the statute, applicable law or provision, condition or exclusion to the claim. Every insurer that denies or rejects a third party claim, in whole or in part, or disputes liability or damages shall do so in writing.

(2) Subject to the provisions of subsection 2695.7(k), nothing contained in subsection 2695.7(b)(1) shall require an insurer to disclose any information that could reasonably be expected to alert a claimant to the fact that the subject claim is being investigated as a suspected fraudulent claim.

(3) Written notification pursuant to this subsection shall include a statement that, if the claimant believes all or part of the claim has been wrongfully denied or rejected, he or she may have the matter reviewed by the California Department of Insurance, and shall include the address and telephone number of the unit of the Department which reviews claims practices.

(4) The time frame in subsection 2695.7(b) shall not apply to claims arising from policies of disability insurance subject to Section 10123.13 of the California Insurance Code, disability income insurance subject to Section 10111.2 of the California Insurance Code or mortgage guaranty insurance subject to Section 12640.09(a) of the California Insurance Code, and shall not apply to automobile repair

bills arising from policies of automobile collision and comprehensive insurance subject to Section 560 of the California Insurance Code. All other provisions of subsections 2695.7(b)(1), (2), and (3) are applicable.

(c)(1) If more time is required than is allotted in subsection 2695.7(b) to determine whether a claim should be accepted and/or denied in whole or in part, every insurer shall provide the claimant, within the time frame specified in subsection 2695.7(b), with written notice of the need for additional time. This written notice shall specify any additional information the insurer requires in order to make a determination and state any continuing reasons for the insurer's inability to make a determination. Thereafter, the written notice shall be provided every thirty (30) calendar days until a determination is made or notice of legal action is served. If the determination cannot be made until some future event occurs, then the insurer shall comply with this continuing notice requirement by advising the claimant of the situation and providing an estimate as to when the determination can be made.

(2) Subject to the provisions of subsection 2695.7(k), nothing contained in subsection 2695.7(c)(1) shall require an insurer to disclose any information that could reasonably be expected to alert a claimant to the fact that the claim is being investigated as a possible suspected fraudulent claim.

(d) Every insurer shall conduct and diligently pursue a thorough, fair and objective investigation and shall not persist in seeking information not reasonably required for or material to the resolution of a claim dispute.

(e) No insurer shall delay or deny settlement of a first party claim on the basis that responsibility for payment should be assumed by others, except as may otherwise be provided by policy provisions, statutes or regulations, including those pertaining to coordination of benefits.

(f) Except where a claim has been settled by payment, every insurer shall provide written notice of any statute of limitation or other time period requirement upon which the insurer may rely to deny a claim. Such notice shall be given to the claimant not less than sixty (60) days prior to the expiration date; except, if notice of claim is first received by the insurer within that sixty days, then notice of the expiration date must be given to the claimant immediately. With respect to a first party claimant in a matter involving an uninsured motorist, this notice shall be given at least thirty (30) days prior to the expiration date; except, if notice of claim is first received by the insurer within that thirty days, then notice of the expiration date must be given to the claimant immediately. This subsection shall not apply to a claimant represented by counsel on the claim matter.

(g) No insurer shall attempt to settle a claim by making a settlement offer that is unreasonably low. The Commissioner shall consider any admissible evidence offered regarding the following factors in determining whether or not a settlement offer is unreasonably low:

(1) the extent to which the insurer considered evidence submitted by the claimant to support the value of the claim;

(2) the extent to which the insurer considered legal authority or evidence made known to it or reasonably available;

(3) the extent to which the insurer considered the advice of its claims adjuster as to the amount of damages;

(4) the extent to which the insurer considered the advice of its counsel that there was a substantial likelihood of recovery in excess of policy limits;

(5) the procedures used by the insurer in determining the dollar amount of property damage;

(6) the extent to which the insurer considered the probable liability of the insured and the likely jury verdict or other final determination of the matter;

(7) any other credible evidence presented to the Commissioner that demonstrates that (i) any amount offered by the insurer in settlement of a first-party claim to an insured not represented by counsel, or (ii) the final amount offered in settlement of a first-party claim to an insured who is represented by counsel or (iii) the final amount offered in settlement of a third party claim by the insurer is below the amount that a reasonable person with knowledge of facts and circumstances would have offered in settlement of the claim.

(h) Upon acceptance of the claim in whole or in part and, when necessary, upon receipt of a properly executed release, every insurer, except as specified in subsection 2695.7(h)(1) and (2) below, shall immediately, but in no event more than thirty (30) calendar days later, tender payment or otherwise take action to perform its claim obligation. The amount of the claim to be tendered is the amount that has been accepted by the insurer as specified in subsection 2695.7(b). In claims where multiple coverage is involved, and where the payee is known, amounts that have been accepted by the insurer shall be paid immediately, but in no event more than thirty (30) calendar days, if payment would terminate the insurer's known liability under that individual coverage, unless impairment of the insured's interests would result. The time frames specified in this subsection shall not apply where the policy provides for a waiting period after acceptance of claim and before payment of benefits.

(1) The time frame specified in subsection 2695.7(h) shall not apply to claims arising from policies of disability insurance subject to Section 10123.13 of the California Insurance Code, disability income insurance subject to Section 10111.2 of the California Insurance Code, or of mortgage guaranty insurance subject to Section 12640.09(a) of the California Insurance Code, and shall not apply to automobile repair bills subject to Section 560 of the California Insurance Code. All other provisions of Section 2695.7(h) are applicable.

(2) Any insurer issuing a title insurance policy shall either tender payment pursuant to subsection 2695.7(h) or take action to resolve the problem which gave rise to the claim immediately upon, but in no event more than thirty (30) calendar days after, acceptance of the claim.

(i) No insurer shall inform a claimant that his or her rights may be impaired if a form or release is not completed within a specified time period unless the information is given for the purpose of notifying the claimant of any applicable statute of limitations or policy provision or the time limitation within which claims are required to be brought against state or local entities.

(j) No insurer shall request or require an insured to submit to a polygraph examination unless authorized under the applicable insurance contract and state law.

(k) Subject to the provisions of subsection 2695.7(c), where there is a reasonable basis, supported by specific information available for review by the California Department of Insurance, for the belief that the claimant has submitted or caused to be submitted to an insurer a suspected false or fraudulent

claim as specified in California Penal Code Section 550 or California Insurance Code Section 1871.4(a), the number of calendar days specified in subsection 2695.7(b) shall be:

(1) increased to eighty (80) calendar days; or,

(2) suspended until otherwise ordered by the Commissioner, provided the insurer has complied with California Insurance Code Section 1872.4 and the insurer can demonstrate to the Commissioner that it has made a diligent attempt to determine whether the subject claim is false or fraudulent within the eighty day period specified by subsection 2695.7(k)(1).

(l) No insurer shall deny a claim based upon information obtained in a telephone conversation or personal interview with any source unless the telephone conversation or personal interview is documented in the claim file pursuant to the provisions of Section 2695.3.

(m) No insurer shall make a payment to a provider, pursuant to a policy provision to pay medical benefits, and thereafter seek recovery or set-off from the insured on the basis that the amount was excessive and/or the services were unnecessary, except in the event of a proven false or fraudulent claim, subject to the provisions of Section 10123.145 of the California Insurance Code.

(n) Every insurer requesting a medical examination for the purpose of determining liability under a policy provision shall do so only when the insurer has a good faith belief that such an examination is reasonably necessary.

(o) No insurer shall require that a claimant withdraw, rescind or refrain from submitting any complaint to the California Department of Insurance regarding the handling of a claim or any other matter complained of as a condition precedent to the settlement of any claim.

(p) Every insurer shall provide written notification to a first party claimant as to whether the insurer intends to pursue subrogation of the claim. Where an insurer elects not to pursue subrogation, or discontinues pursuit of subrogation, it shall include in its notification a statement that any recovery to be pursued is the responsibility of the first party claimant. This subsection does not require notification if the deductible is waived, the coverage under which the claim is paid requires no deductible to be paid, the loss sustained does not exceed the applicable deductible, or there is no legal basis for subrogation.

(q) Every insurer that makes a subrogation demand shall include in every demand the first party claimant's deductible. Every insurer shall share subrogation recoveries on a proportionate basis with the first party claimant, unless the first party claimant has otherwise recovered the whole deductible amount. No insurer shall deduct legal or other expenses from the recovery of the deductible unless the insurer has retained an outside attorney or collection agency to collect that recovery. The deduction may only be for a pro rata share of the allocated loss adjustment expense. This subsection shall not apply when multiple policies have been issued to the insured(s) covering the same loss and the language of these contracts prescribe alternative subrogation rights. Further, this subsection shall not apply to disability and health insurance as defined in California Insurance Code Section 106.

Section 2695.8. Additional Standards Applicable to Automobile Insurance

(a) This section enumerates standards which apply to adjustment and settlement of automobile insurance claims.

(1) the words "automobile" and "vehicle" are used synonymously.

(b) In evaluating automobile total loss claims the following standards shall apply:

(1) The insurer may elect a cash settlement that shall be based upon the actual cost of a "comparable automobile" less any deductible provided in the policy. This cash settlement amount shall include all applicable taxes and one-time fees incident to transfer of evidence of ownership of a comparable automobile. This amount shall also include the license fee and other annual fees to be computed based upon the remaining term of the loss vehicle's current registration. This procedure shall apply whether or not a replacement automobile is purchased.

(A) If the insured chooses to retain the loss vehicle or if the third party claimant retains the loss vehicle, the cash settlement amount shall include the sales tax associated with the cost of a comparable automobile, discounted by the amount of sales tax attributed to the salvage value of the loss vehicle. The cash settlement amount shall also include all fees incident to transfer of the claimant's vehicle to salvage status. The salvage value may be deducted from the settlement amount and shall be determined by the amount for which a salvage pool or a licensed salvage dealer, wholesale motor vehicle auction or dismantler will purchase the salvage. If requested by the claimant, the insurer shall provide the name, address and telephone number of the salvage dealer, salvage pool, motor vehicle auction or dismantler who will purchase the salvage. The insurer shall disclose in writing to the claimant that notice of the salvage retention by the claimant must be provided to the Department of Motor Vehicles and that this notice may affect the loss vehicle's future resale and/or insured value. The disclosure must also inform the claimant of his or her right to seek a refund of the unused license fees from the Department of Motor Vehicles.

(2) A "comparable automobile" is one of like kind and quality, made by the same manufacturer, of the same or newer model year, of the same model type, of a similar body type, with options and mileage similar to the insured vehicle. Newer model year automobiles may not be used as comparable automobiles unless there are not sufficient comparable automobiles of the same model year to make a determination as set forth in Section 2695.8(b)(3), below. In determining the cost of a comparable automobile, the insurer may use either the asking price or actual sale price of that automobile. Any differences between the comparable automobile and the insured vehicle shall be permitted only if the insurer fairly adjusts for such differences. Any adjustments from the cost of a comparable automobile must be discernible, measurable, itemized, and specified as well as appropriate in dollar amount and so documented in the claim file. Deductions taken from the cost of a comparable automobile that cannot be supported shall not be used. The actual cost of a comparable automobile shall not include any deduction for the condition of a loss vehicle unless the

documented condition of the loss vehicle is below average for that particular year, make and model of vehicle. This subsection shall not preclude deduction for prior and/or unrelated damage to the loss vehicle. A comparable automobile must have been available for retail purchase by the general public in the local market area within ninety (90) calendar days of the final settlement offer. The comparable automobiles used to calculate the cost shall be identified by the vehicle identification number (VIN), the stock or order number of the vehicle from a licensed dealer, or the license plate number of that comparable vehicle if this information is available. The identification shall also include the telephone number (including area code) or street address of the seller of the comparable automobile.

(3) Notwithstanding subsection (2), above, upon approval by the Department of Insurance, an insurer may use private sales data from the Department of Motor Vehicles, or other approved sources, which does not contain the seller's telephone number or street address. Approval by the Department of Insurance shall be contingent on the Department's determination that reasonable steps have been taken to limit the use of private sales data that may be inaccurately reported to the Department of Motor Vehicles or other approved sources.

(4) The insurer shall take reasonable steps to verify that the determination of the cost of a comparable vehicle is accurate and representative of the market value of a comparable automobile in the local market area. Upon its request, the department shall have access to all records, data, computer programs, or any other information used by the insurer or any other source to determine market value. The cost of a comparable automobile shall be determined as follows and, once determined, shall be fully itemized and explained in writing for the claimant at the time the settlement offer is made:

(A) when comparable automobiles are available or were available in the local market area in the last 90 days, the average cost of two or more such comparable automobiles; or,

(B) when comparable automobiles are not available or were not available in the local market area in the last 90 days, the average of two or more quotations from two or more licensed dealers in the local market area; or,

(C) the cost of a comparable automobile as determined by a computerized automobile valuation service that produces statistically valid fair market values within the local market area; or

(D) if it is not possible to determine the cost of a comparable automobile by using one of the methods described in subsections (b)(3)(A), (b)(3)(B) and (b)(3)(C) of this section, the cost of a comparable automobile shall otherwise be supported by documentation and fully explained to the claimant. Any adjustments to the cost of a comparable automobile shall be discernible, measurable, itemized, and specified as well as appropriate in dollar amount and so documented in the claims file. Deductions taken from the cost of a comparable automobile that cannot be supported shall not be used.

(5) In first party automobile total loss claims, the insurer may elect to offer a replacement automobile which is a specified comparable automobile available to the insured with all applicable taxes, license fees and other fees incident to transfer of evidence of ownership of the automobile paid by the insurer at no cost other than any deductible provided in the policy. The offer and any rejection thereof must be documented in the insurer's claim file. A replacement automobile must be

in as good or better overall condition than the insured vehicle and available for inspection within a reasonable distance of the insured's residence.

(6) Subsection 2695.8(b) applies to the evaluation of third party automobile total loss claims, but does not change existing law with respect to the obligations of an insurer in settling such claims with a third party.

(c) In first party automobile total loss claims, every insurer shall provide notice to the insured at the time the settlement payment is sent or final settlement offer is made that if notified by the insured within thirty-five (35) calendar days after the insured receives the claim payment or final settlement offer that he or she cannot purchase a comparable automobile for the gross settlement amount, the insurer will reopen its claim file. If subsequently notified by the insured the insurer shall reopen its claim file and utilize the following procedures:

(1) The insurer shall locate a comparable automobile for the gross settlement amount determined by the company at the time of settlement and shall provide the insured with the information required in (c)(4), below, or offer a replacement vehicle in accordance with section 2695.8(b)(4). Any such vehicle must be available in the local market area; or,

(2) The insurer shall either pay the insured the difference between the amount of the gross settlement and the cost of the comparable automobile which the insured has located, or negotiate and purchase this vehicle for the insured; or,

(3) The insurer shall invoke the appraisal provision of the insurance policy.

(4) No insurer is required to take action under this subsection if its documentation to the insured at the time of final settlement offer included written notification of the identity of a specified comparable automobile which was available for purchase at the time of final settlement offer for the gross settlement amount determined by the insurer. The documentation shall include the telephone number (including area code) or street address of the seller of the comparable automobile and:

(A) the vehicle identification number (VIN) or,

(B) the stock or order number of the vehicle from a licensed dealer, or

(C) the license plate number of such comparable vehicle.

(d) No insurer shall, where liability and damages are reasonably clear, recommend that the third party claimant make a claim under his or her own policy to avoid paying the claim under the policy issued by that insurer.

(e) No insurer shall:

(1) require that an automobile be repaired at a specific repair shop; or,

(2) suggest or recommend that an automobile be repaired at a specific repair shop, unless all of the requirements set forth in California Insurance Code Section 758.5 have been met.

(3) require a claimant to travel an unreasonable distance either to inspect a replacement automobile, to conduct an inspection of the vehicle, to obtain a repair estimate or to have the automobile repaired at a specific repair shop.

(f) If a partial loss is settled on the basis of a written estimate prepared by or for the insurer, the insurer shall supply the claimant with a copy of the estimate upon which the settlement is based. The estimate prepared by or for the insurer shall be of an amount that will allow for repairs to be made in accordance with accepted trade standards for good and workmanlike automotive repairs by an "auto body repair shop" as defined in section 9889.51 of the Business and Professions Code, and in accordance with the standards of automotive repair required of auto body repair shops as described in the Business and Professions Code and associated regulations, including, but not limited to, Section 3365 of Title 16 of the California Code of Regulations. An insurer shall not prepare an estimate that deviates from the standards, costs, and/or guidelines provided by the third-party automobile collision repair estimating software used by the insurer to prepare the estimate, if such deviation would result in an estimate that would not allow for repairs to be made in accordance with accepted trade standards for good and workmanlike automotive repairs by an auto body repair shop, as described in this subdivision. If the claimant subsequently contends, based upon a written estimate that he or she obtains, that necessary repairs will exceed the written estimate prepared by or for the insurer, the insurer shall:

(1) pay the difference between the written estimate and a higher estimate obtained by the claimant;
or,

(2) if requested by the claimant, promptly provide the claimant with the name of at least one repair shop that will make the repairs for the amount of the insurer's written estimate. The insurer shall cause the damaged vehicle to be restored to its condition prior to the loss at no additional cost to the claimant other than as stated in the policy or as otherwise allowed by law. The insurer shall maintain documentation of all such communications; or,

(3) reasonably adjust any written estimates prepared by the repair shop of the claimant's choice and provide a copy of the adjusted estimate to the claimant and the claimant's repair shop. The adjusted estimate provided to the claimant and repair shop shall be either an edited copy of the claimant's repair shop estimate or a supplemental estimate based on the itemized copy of the claimant's repair shop estimate. The adjusted estimate shall identify the specific adjustment made to each item and the cost associated with each adjustment made to the claimant's shop's estimate.

(g) No insurer shall require the use of non-original equipment manufacturer replacement crash parts in the repair of an automobile unless all of the following conditions are met:

(1) the parts are at least equal to the original equipment manufacturer parts in terms of kind, quality, safety, fit, and performance;

(2) the insurer specifying the use of non-original equipment manufacturer replacement crash parts shall pay the cost of any modifications to the parts that may become necessary to effect the repair;

(3) the insurer specifying the use of non-original equipment manufacturer replacement crash parts warrants that such parts are at least equal to the original equipment manufacturer parts in terms of kind, quality, safety, fit, and performance. The insurer must disclose in writing, in any estimate

prepared by or for the insurer, the fact that it warrants that such parts are at least equal to the original equipment manufacturer parts in terms of kind, quality, safety, fit, and performance;

(4) all original and non-original manufacturer replacement crash parts, manufactured after the effective date of this subdivision, when supplied by repair shops shall carry sufficient permanent, non-removable identification so as to identify the manufacturer. Such identification shall be accessible to the greatest extent possible after installation; and,

(5) the use of non-original equipment manufacturer replacement crash parts is disclosed in accordance with section 9875.1 of the California Business and Professions Code.

(6) If an insurer specifying the use of non-original equipment manufacturer replacement crash parts has knowledge that a part is not equal to the original equipment manufacturer part in terms of kind, quality, safety, fit, and performance, or does not otherwise comply with this section, it shall immediately cease requiring the use of the part and shall, within thirty (30) calendar days, notify the distributor of the non-compliant aspect of the part.

(7) In the repair of a particular vehicle, an insurer specifying the use of a non-original equipment manufacturer replacement crash part that is not equal to the original equipment manufacturer part in terms of kind, quality, safety, fit, and performance, or does not otherwise comply with this section, shall pay for the costs associated with returning the part and the cost to remove and replace the non-original equipment manufacturer part with a compliant non-original equipment manufacturer part or an original equipment manufacturer part.

(8) Nothing in this subdivision prohibits an insurer from seeking reimbursement or indemnification from a third party for the costs associated with the insurer's compliance with this subdivision, including, but not limited to, costs associated with the insurer's obligation to warrant the part, modifications to the part, or returning, removing or replacing a non-compliant, non-original equipment manufacturer part. However, seeking reimbursement or indemnification from a third party shall not in any way modify the insurer's obligation to comply with this subdivision. An insurer shall retain primary responsibility to comply with this subdivision and shall not refuse or delay compliance with this subdivision on the basis that responsibility for payment or compliance should be assumed by a third party.

(h) No insurer shall require an insured or claimant to supply parts for replacement.

(i) When the amount claimed is adjusted because of betterment or depreciation, all justification shall be contained in the claim file. Any adjustments shall be discernable, measurable, itemized, and specified as to dollar amount, and shall accurately reflect the value of the betterment or depreciation. This subsection shall not preclude deduction for prior and/or unrelated damage to the loss vehicle. The basis for any adjustment shall be fully explained to the claimant in writing and shall:

(1) reflect a measurable difference in market value attributable to the condition and age of the vehicle, and

(2) apply only to parts normally subject to repair and replacement during the useful life of the vehicle such as, but not limited to, tires, batteries, et cetera.

(j) In a first party partial loss claim, the expense of labor necessary to repair or replace the damage is not subject to depreciation or betterment unless the insurance contract contains a clear and unambiguous provision permitting the depreciation of the expense of labor.

(k) After a covered loss under a policy of automobile collision coverage or automobile physical damage coverage as defined in California Insurance Code Section 660, where towing and storage are reasonably necessary to protect the vehicle from further loss, the insurer shall pay reasonable towing and storage charges incurred by the claimant. The insurer shall provide reasonable notice to the claimant before terminating payment for storage charges so that the claimant has time to remove the vehicle from storage. This subsection shall also apply to a third party claim filed under automobile liability coverage as defined in California Insurance Code section 660, however, payment to a third party claimant may be prorated based upon the comparative fault of the parties.

Section 2695.85. Auto Body Repair Consumer Bill of Rights

(a) Every insurer that issues automobile liability or collision insurance policies shall provide the named insured(s) with an Auto Body Repair Consumer Bill of Rights either at the time of application for an automobile insurance policy, at the time a policy is issued, or following an accident or loss that is reported to the insurer. If the insurer provides the insured with an electronic copy of a policy, the bill of rights may also be transmitted electronically. If the insurer provides the bill of rights following an accident or loss, the insurer shall also provide the bill of rights to the particular insured filing the insurance claim. If the insurer provides the bill of rights at the time of application or policy issuance, all named insureds that have not previously received the bill of rights shall be provided with a copy upon renewal of the policy.

(b) The requirements set forth in subsection 2695.85(a), above, shall apply to all automobile liability and collision insurance policies issued in California including commercial automobile, private passenger automobile, and motorcycle insurance policies.

(c) The Auto Body Repair Consumer Bill of Rights shall be a separate standardized document and plainly printed in no less than ten-point type. An insurer may distribute the form using its own letterhead, but the language of the Auto Body Repair Consumer Bill of Rights shall be developed by the California Department of Insurance and shall read as follows:

AUTO BODY REPAIR CONSUMER BILL OF RIGHTS

1. SELECT THE AUTO BODY REPAIR SHOP TO REPAIR AUTO BODY DAMAGE COVERED BY THE INSURANCE COMPANY. AN INSURANCE COMPANY SHALL NOT REQUIRE THE REPAIRS TO BE DONE AT A SPECIFIC AUTO BODY REPAIR SHOP.

Section 2695.9. Additional Standards Applicable to First Party Residential and Commercial Property Insurance Policies

(a) When a residential or commercial property insurance policy provides for the adjustment and settlement of first party losses based on replacement cost, the following standards apply:

(1) When a loss requires repair or replacement of an item or part, any consequential physical damage incurred in making the repair or replacement not otherwise excluded by the policy shall be included in the loss. The insured shall not have to pay for depreciation nor any other cost except for the applicable deductible.

(2) When a loss requires replacement of items and the replaced items do not match in quality, color or size, the insurer shall replace all items in the damaged area so as to conform to a reasonably uniform appearance.

(b) No insurer shall require that the insured have the property repaired by a specific individual or entity.

(c) No insurer shall suggest or recommend that the insured have the property repaired by a specific individual or entity unless:

(1) the referral is expressly requested by the claimant; or

(2) the claimant has been informed in writing of the right to select a repair individual or entity and, if the claimant accepts the suggestion or recommendation, the insurer shall cause the damaged property to be restored to no less than its condition prior to the loss and repaired in a manner which meets accepted trade standards for good and workmanlike construction at no additional cost to the claimant other than as stated in the policy or as otherwise allowed by these regulations.

(d) If losses are settled on the basis of a written scope and/or estimate prepared by or for the insurer, the insurer shall supply the claimant with a copy of each document upon which the settlement is based. The estimate prepared by or for the insurer shall be in accordance with applicable policy provisions, of an amount which will restore the damaged property to no less than its condition prior to the loss and which will allow for repairs to be made in a manner which meets accepted trade standards for good and workmanlike construction. The insurer shall take reasonable steps to verify that the repair or rebuilding costs utilized by the insurer or its claims agents are accurate and representative of costs in the local market area. If the claimant subsequently contends, based upon a written estimate which he or she obtains, that necessary repairs will exceed the written estimate prepared by or for the insurer, the insurer shall:

(1) pay the difference between its written estimate and a higher estimate obtained by the claimant; or,

(2) if requested by the claimant, promptly provide the claimant with the name of at least one repair individual or entity that will make the repairs for the amount of the written estimate. The insurer shall cause the damaged property to be restored to no less than its condition prior to the loss and which will allow for repairs in a manner which meets accepted trade standards for good and workmanlike construction at no additional cost to the claimant other than as stated in the policy or as otherwise allowed by these regulations; or,

(3) reasonably adjust any written estimates prepared by the repair individual or entity of the insured's choice and provide a copy of the adjusted estimate to the claimant.

(e) Once the appraisal provision under an insurance policy is invoked, the appraisal process shall not include any legal proceeding or procedure not specified under California Insurance Code Section 2071. Nothing herein is intended to preclude separate legal proceedings on issues unrelated to the appraisal process.

(f) When the amount claimed is adjusted because of betterment, depreciation, or salvage, all justification for the adjustment shall be contained in the claim file. Any adjustments shall be discernable, measurable, itemized, and specified as to dollar amount, and shall accurately reflect the value of the betterment, depreciation, or salvage. Any adjustment for betterment or depreciation shall reflect a measurable difference in market value attributable to the condition and age of the property and apply only to property normally subject to repair and replacement during the useful life of the property. The basis for any adjustment shall be fully explained to the claimant in writing.

(1) Under a policy, subject to California Insurance Code Section 2071, where the insurer is required to pay the expense of repairing, rebuilding or replacing the property destroyed or damaged with other of like kind and quality, the measure of recovery is determined by the actual cash value of the damaged or destroyed property, as set forth in California Insurance Code Section 2051. Except for the intrinsic labor costs that are included in the cost of manufactured materials or goods, the expense of labor necessary to repair, rebuild or replace covered property is not a component of physical depreciation and shall not be subject to depreciation or betterment.

NOTE: Authority cited: Sections 790.10, 2051, 2051.5, 2071, 12921 and 12926 of the California Insurance Code, Section 7109 of the California Business and Professions Code and Sections 11342.2 and 11152 of the California Government Code; Reference: Sections 790.03(h)(3), (5) and (7) of the California Insurance Code.

Section 2695.10 Additional Standards Applicable to Surety Insurance

(a) No insurer shall base or vary its claims settlement practices, or its standard of scrutiny and review, upon the claimant's, age, race, gender, income, religion, language, sexual orientation, ancestry, national origin, or physical disability, or upon the territory of the property or person insured.

(b) As soon as possible, but in no event later than forty (40) calendar days after receipt by the insurer of proof of claim, and provided the claim is not in litigation or arbitration, the insurer shall accept or deny the claim, in whole or in part, and affirm or deny liability. Every insurer that denies or rejects a claim in whole or in part, or disputes liability or damages, shall provide to the claimant a written statement listing all bases for such rejection or denial, and the factual and legal bases for each reason given for each rejection or denial, which are within the insurer's knowledge. If an insurer's denial of a claim in whole or in part is based on a specific statute or specific bond provisions, the denial shall include reference thereto and provide an explanation of the application of the statute or bond provision to the claim. Written notification pursuant to this subsection shall also include a notification that the claimant may have the matter reviewed by the California Department of Insurance and shall provide the address and telephone number of the unit of the Department which reviews complaints regarding claims practices.

(1) A principal's absence, non-cooperation, or failure to meet the bonded obligation shall not excuse unreasonable delay by the insurer in determining whether a claim should be accepted or denied.

(2) While an insurer may consider all information provided by a principal, absent reasonable factual and/or legal bases for denying a claim, no insurer shall deny a claim based solely upon a principal's protest of a claim or denial of liability for a claim.

(c) In the event an insurer requires more time than is allotted in subsection 2695.10(b) to determine whether a claim should be accepted and/or denied, in whole or in part, the insurer shall provide the claimant with written notice of the need for such additional time within the time specified in subsection 2695.10(b). Such written notice shall specify the reasons for the need for such additional time, including specification of any additional information the insurer requires in order to make such determination. The insurer shall provide the claimant with written notice as to the continuing reasons for the insurer's inability to make such a determination. Except in cases where extraordinary circumstances are present which materially affect the insurer's ability to comply, such written notice shall be provided within 30 calendar days of the date of the initial notification, and every 30 calendar days thereafter until such determination is made or notice of legal action is received. If the determination cannot be made until some event, process, or third party determination is made, then the insurer shall comply with this requirement by advising the claimant of the situation and provide an estimate as to when the determination can be made.

(d) No insurer shall fail to pursue diligently an investigation of a claim, or persist in seeking information not reasonably required for or material to resolution of a claim dispute.

(e) No insurer shall deny a claim upon information obtained in a telephone conversation or personal interview with any source unless the telephone conversation or personal interview is documented in the claim file pursuant to the provisions of section 2695.3.

(f) Where the claim is to be settled by payment, and where neither the claim nor the amount is in dispute, such payment shall be tendered (1) within 15 calendar days following affirmation of liability where the insurer does not require the claimant to execute a release, or (2) within 15 calendar days following the insurer's receipt of a release properly executed by the claimant, where such release is required by the insurer. Such release shall be provided to the claimant within ten (10) calendar days following affirmation of liability. Where multiple claimants are involved, payment shall be made pursuant to this subsection, provided such payment shall not increase the insurer's liability, or impair the rights of other claimants under the bond.

(g) Except where a claim has been settled by payment, every insurer shall provide written notice of any statute of limitations or other time period requirement upon which the insurer may rely to deny a claim. Such notice shall be given to the claimant no less than sixty (60) days prior to the expiration date. If notice of claim is first received by the insurer within sixty (60) days of the expiration date and such date is known to the insurer, then notice of the expiration date must be given to the claimant immediately. This subsection shall not apply to a claimant represented by counsel on the claim matter or to a claim already time barred when first received by the insurer.

(h) No insurer shall attempt to settle a claim by making a settlement offer that is unreasonably low. The Commissioner shall consider any admissible evidence offered regarding the following factors in determining whether or not a settlement offer is unreasonably low:

- (1) the extent to which the insurer considered evidence submitted by the claimant to support the value of the claim;
- (2) the extent to which the insurer considered legal authority or evidence made known to it or reasonably available;
- (3) the procedures used by the insurer in determining the dollar amount of damages;
- (4) any other credible evidence presented to the Commissioner that demonstrates that the final amount offered by the insurer in settlement of a claim is below the amount that a reasonable person with knowledge of the facts and circumstances would have offered in settlement of the claim.

Section 2695.11. Additional Standards Applicable to Life and Disability Insurance Claims

(a) No insurer shall seek reimbursement of an overpayment or withhold any portion of any benefit payable as a result of a claim on the basis that the sum withheld or reimbursement sought is an adjustment or correction for an overpayment made under the same policy unless:

(1) the insurer's files contain clear, documented evidence of an overpayment and written authorization from the insured or assignee, if applicable, permitting the reimbursement or withholding procedure, or

(2) the insurer's files contain clear, documented evidence pursuant to section 2695.3 of all of the following:

(A) The overpayment was erroneous under the provisions of the policy.

(B) The error which resulted in the payment is not a mistake of the law.

(C) The insurer notifies the insured within six (6) months of the date of the error, except that in instances of error prompted by representations or nondisclosure of claimants or third parties, the insurer notifies the insured within fifteen (15) calendar days after the date of discovery of such error. For the purpose of this subsection, the date of the error shall be the day on which the draft for benefits is issued.

(D) Such notice states clearly the cause of the error and states the amount of the overpayment.

(E) The procedure set forth above in (a)(2)(A) through (D) above may not be used if the overpayment is the subject of a reasonable dispute as to facts.

(b) With each claim payment, the insurer shall provide to the claimant and assignee, if any, an explanation of benefits which shall include, if applicable, the name of the provider or services covered, dates of service, and a clear explanation of the computation of benefits.

(c) An insurer may not impose a penalty upon any insured for noncompliance with insurer requirements for precertification of benefits unless such penalties are specifically and clearly set forth in writing in the policy or certificate of insurance.

(d) An insurer that contests a claim under California Insurance Code Section 10123.13 shall subsequently affirm or deny the claim within thirty (30) calendar days from the original notification. In the event an insurer requires additional time to affirm or deny the claim, it shall notify the claimant and assignee in writing. This written notice shall specify any additional information the insurer requires in order to make a determination and shall state any continuing reasons for the insurer's inability to make a determination. This notice shall be given within thirty (30) calendar days of the notice (required under Insurance Code Section 10123.13) that the claim is being contested and every thirty (30) calendar days thereafter until a determination is made or legal action is served. If the determination cannot be made until some future event occurs, the insurer shall comply with this continuing notice requirement by advising the claimant and assignee of the situation and providing an estimate as to when the determination can be made.

(e) When a policy requires preauthorization of non-emergency medical services, the preauthorization must be given immediately but in no event more than five (5) calendar days after the request for preauthorization. The preauthorization shall be communicated or confirmed in writing to the insured and the medical service provider, and shall explain the scope of the preauthorization and whether the preauthorization is or is not a guarantee of acceptance of the claim. In the event the preauthorization is denied, the reason(s) for the denial shall be communicated in writing to the insured and the medical service provider.

(f) No preauthorization shall be required by an insurer for emergency medical services.

(g) An insurer shall reimburse the insured or medical service provider for reasonable expenses incurred in copying medical records requested by the insurer.
